This volume contains the main presentation and comments of the international Conference *"The Enlargement of the European Union: Prospects and Problems"*, which was held in Athens, 6-7 November 1998.

The conference was organized by ELIAMEP and the Austrian Embassy in Athens, the country which at that time was holding the six-month rotating presidency of the Council of the Union.

The Conference addressed issues, which were tied to the priorities of the enlargement as well as Agenda 2000 negotiations.
